Testimonials

I came fresh from the massage school and didn't know about marketing or how to brand my business. I got frustrated since I spend more then \$10,000 for the school. Regina thaught me how to start and now I know how a business can and why my business is thriving.

A German student:

"Lange habe ich nach einer geeigneten Ausbildung im Spa-Business gesucht. Ich möchte gerne anderen Menschen etwas Gutes tun. Ich hätte nie gedacht in nur 10 Tagen Intensiv-Training die Kunst der Spa Behandlungen zu erlernen. Zunächst war ich skeptisch - aber jetzt bin ich Spa Specialist und habe eine neue Berufschance!"

Target Group

people who are still in a massage school, graduates, people who once worked in the field of massage took a break for their family and want to start fresh, people who are not sure wether the massage profession is right for them, all people who like to learn something new and want to grow.
